WORKSHOP AGENDA

Maritime Spatial Planning and Offshore Wind Energy

PROJECT PLATFORM CAPACITY4MSP: STRENGTHENING THE CAPACITY OF MSP STAKEHOLDERS AND DECISION MAKERS

The workshop is co-organised by the SUBMARINER Network for Blue Growth EEIG, WindEurope, EUSBSR PA Energy, Baltic Energy Market Interconnection Plan (BEMIP) Renewable Energy Working Group, Vattenfall, German and Estonian wind energy associations.

Online Workshop
22 September 2020, 11:00 – 14.00h CEST (Berlin time)

| 12.00 | SESSION 2: SPATIAL PLANNING CRITERIA FOR OFFSHORE CABLES – INTERACTIONS WITH OTHER SECTORS, WITH LAND INTERCONNECTORS AND ACROSS BORDERS | Moderator: Mattia Cecchinato, Wind Europe  
- **Challenges in planning the offshore grid**  
  Johanna Meier, Renewables Grid Initiative  
- **Offshore power cables – Actual conditions to consider**  
  Bo Nilsson, Europacable  
- **Kriegers Flak - Combined grid solution**  
  Henrich Quick, 50Hertz  
- **Joint discussion**  
  Panelists:  
  Priti Heinla, Elering  
  Andreas Wagner, German Offshore Wind Energy Foundation |
| 12.20 |                                                                                                    |                                                                                                                                       |
| 12.40 | COMFORT BREAK                                                                                      |                                                                                                                                       |
| 12.45 | SESSION 3: CO-LOCATION AND MULTI-USE OF SPACE BETWEEN THE OFFSHORE WIND FARMS AND OTHER USES – THE NEED FOR COLLABORATIVE APPROACH TO POLICYMAKING | Moderator: Ivana Lukic, SUBMARINER Network for Blue Growth EEIG  
- **Co-existing with offshore wind**  
  Esben Baltzer-Nielsen, Vattenfall  
- **Joint discussion**  
  Panelists:  
  Mattia Cecchinato, Wind Europe  
  Femke de Boer, Scottish White Fish Producers Association  
  Joacim Johannesson, Swedish Agency for Marine and Water Management |
| 13.00 | SESSION 4: OFFSHORE WIND ENVIRONMENTAL IMPACTS (POSITIVE AND NEGATIVE)                               | Moderator: Ivana Lukic, SUBMARINER Network for Blue Growth EEIG  
- **Balancing profitability of offshore energy production, societal impacts, and biodiversity in offshore wind farm design**  
  Elina Virtanen, Finnish Environment Institute (SYKE)  
- **EU guidance on wind energy developments and Natura 2000 and online manual on wildlife sensitivity mapping**  
  Sophie Ouzet, European Commission, Directorate-General for the Environment (DG ENV), Unit D3/ Nature protection  
- **Offshore wind development – mitigating biodiversity impacts**  
  Giulia Carbone, International Union for Conservation of Nature (IUCN)  
- **Joint discussion**  
  Panelists:  
  Bruna Campos, BirdLife International  
  Tiina Tihlman, Ministry of the Environment of Finland  
  Charlotte Boesen, Orsted |
| 14.00 | FINAL REMARKS & WRAP-UP                                                                             |                                                                                                                                       |

**Information on joining the online webinar**  
The individual link to join the online workshop was sent to all the participants via email by the GoToWebinar system. In case you have not received this link, please check your spam mailbox and email il@submariner-network.eu  
Please use the instructions from the email to join the webinar. You can also test the system requirements before the webinar as instructed in the email.

**In case you are not able to download the GoToWebinar app** you can also join directly from the browser by going to  
GoToWebinar.com and clicking on the top right **JOIN button** (very small next to the phone number). Use your email (the same one you used to register for the webinar) and the **webinar ID: 487-818-323**

The Webinar line will be open one hour early for those who would like to test the system before the official start.
