A large group of approximately 25 people, mostly in winter coats, are gathered on a rooftop. They are all smiling and waving their hands towards the camera. In the background, a city skyline is visible under an overcast sky. To the right, a large black cylindrical structure, possibly a chimney or ventilation duct, is visible. A banner for 'CAPACITY4MSP' is being held by two people on the right side of the group. The banner features a blue wave graphic and text including 'Strengthening the capacity of MSP stakeholders and decision makers', 'www.capacity4msp.eu', 'Interreg Baltic Sea Region', and the European Union flag. At the bottom of the banner, it says 'Find out more info@baltic-sea.eu #Capacity4MSP'.

# VIRTUAL GREETINGS FROM PROJECT TEAM!
